Announcement

Texas Shorthorn Breeders are happy to join in celebrating the one-hundredth anniversary of the founding of the Shorthorn Herd Book. The Fort Worth Sale will be the first regional sale starting this great centennial year. Let's make this a record breaker.

Clinton K. Tomson, our secretary states that, "1945 has been recorded as the greatest year in Shorthorn history. During the fiscal year which closed October 31, 1945, 62,380 head of Shorthorns were recorded and 51,178 were transferred with 1,883 new members joining the American Shorthorn Breeders' Association. This brings the total new memberships in the last three years up to 5,435, the largest number of new breeders joining any beef breed registry association in that time."

Shorthorns are definitely on the march. Let's all work together and keep them that way. We are really proud of the consignment of cattle we have to offer starting a group of Centennial Sales for the year 1946. The cattle will stand on their own merits and the buyers will be the judge as to what they are worth.

We extend a cordial invitation to everyone interested in good cattle to attend the Shorthorn Sale Wednesday morning, March 13, during week of the Fort Worth Stock Show.

A. H. Caraway, *Secretary*

KAMAR PURE GOLD—Is a line bred Broweth Bud or Pure Gold pedigree, which has produced a number of grand champion animals in the American show yards. Kamar Pure Gold is sired by the great imported Garguston Marshal. Vernon Scofield, a member of the American Army of Occupation, on a recent inspection of the leading herds in Great Britain, writes that a sister of Garguston Marshal is one of the best cows he saw in all Scotland. We consider this one of the very top heifers that has ever left Scofield Ranch. She is good enough to be a member of any herd in America.
